

# Part P Notifications

ECA members receive a 50% discount on Part P notifications.

Currently the full cost per notification through your certification body, such as NICEIC or ELECSA, is £3 (+VAT). ECA members pay only £1.50 (+VAT) per notification.

The £3 full cost consists of two elements - a £1.50 notification fee paid to Local Authority Building Control (LABC) via NICEIC or ELECSA, and £1.50 for a guarantee, which is a condition of the scheme.

ECA reimburses members the £1.50 fee for the guarantee - as businesses are automatically guaranteed as part of your membership.
